Description

Solar panels for charging batteries—both the starter battery and the service battery—with a isolating relay. 140-liter fuel tank; 40-liter water tank. Electric winch on the trailer, plus a manual winch and a support platform. New Raymarine Axiom 7 chartplotter with sonar, complete with European and Mediterranean charts. New light mast and new flagpole. Horn and cabin lighting to be installed later. New cockpit cover; winter cover; engine cover. New stainless steel anchor with an initial section of chain. New chemical toilet. Spacious cabin with sleeping accommodations for two people. The dinette can be quickly converted into a sun deck/bed. Bimini top with camper-style closure, stowable in the transom hatch. Silwy magnets installed at various points on the boat for use with Silwy products. Blackout shades and mosquito nets for the windows. Certified for inland navigation and holds an Austrian maritime navigation certificate valid through 2033. CE certification for up to 6 people. Draft: 0.4 m. Antifouling in excellent condition. Engine maintenance documented with invoices from a marine repair shop in Linz. Total weight of boat, engine, and trailer: approximately 1,700 kg. TPV trailer by Böckmann, with a maximum allowable gross weight of 2,700 kg. Fender holders on the gunwale. Included: mooring lines, fenders, a second small anchor, stern shower, sink, charging cables, and all standard equipment.
